The Agora warranty covers the fabric becoming unserviceable as a result of loss of colour or strength from normal exposure conditions, including sunlight, mildew, rot and atmospheric chemicals, when properly installed, used and maintained. The warranty does not cover labour and installation costs supplied by the dealer. The warranty neither applies against deterioration of any kind due to abusive use, accidental burns, negligence or perforations.

Waterproof and flame retardant treatments: Recommended for cushions and upholstery only. Always use the lamination face inside. Do not expose the coated side to sun or light.
